Plaintiff,

Vs

Scotty D Sipe

defendant case no.

I Scotty D Sipe can not afford to pay any more legal fees, I'm hoping the court excepts my response to the Honorable trustee John P. Fitzgerald 111 complaint.

Introductory

ON 11-09-2021 I filed bankruptcy for multiple reasons, I lost money in 2016, to IJ home builders, lost my wife in 2018 of 32 years to the flue, discovered after I was emerging from shock in 2019 my company sipes construction & Virginia home builders llc was not getting paid and my partnership with Saga homes llc. company was in financial trouble, closing sipes construction Virginia home builders LLC. trying to save Saga homes llc. I just lost a lawsuit in late October 2021 where Erie insurance company owed me close to \$400,000. oo my brother Malcolm Sipe came up missing on July 5, 2021, I found him after searching day and night 17 days later had committed suicide. He was one year older than me and worked together since we were 13-14 years old. Three people that had worked with me for the last 30 years died of suicide another one had heart attack on the job. I started paying everyone in cash and or cashier's checks from 2021. In October of 2021 I started getting judgments, law suites it was more than I could handle under great stress I made my decision based on money loss and greif.

I ask the ruling judge on this matter please give me the opportunity to defend my self or be able to help appoint someone as my aid. I don't think its being understood the money went toward completing the homes and paying sagas debt. The house was completed at my loss. I have paid \$16,500.00 money I begged and borrowed to represent me and the questions still remain. I have been a honest house builder for 35 years. Yes I came under hard times I settled a the law suite against me with Houff personally, for 50,000.00 : 500 month and helped them get 50,000.00 from sagas insurance. I believe they are coming after Todd Baird for the balance. I completed this work in faith that I could through bankruptcy have a chance at a second life. I need this I ask the court to give me time I will find a way to find me a lawyer who understand covid19 construction contractors' obligation house budgets.
